Premium changes due to your age will occur on the January 1st coinciding with or next following the birthday that causes you to enter the next age bracket.

GENERAL PROVISIONS

INCONTESTABILITY: Any statements made by you or on your behalf to persuade us to provide coverage, will be deemed a representation not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which you are covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in written form signed by you, or on your behalf; and
 - (b) a copy of such written instrument is or has been furnished to you, your beneficiary or legal representative.
- (2) If the statement relates to your insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during your lifetime.

NOT IN LIEU OF WORKERS' COMPENSATION: The Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

CLAIMS PROVISIONS

NOTICE OF CLAIM: Written notice must be given to us within thirty-one (31) days after the loss occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Office or to our authorized agent. The notice should include your name and the Policy Number.

CLAIM FORMS: When we receive notice of claim, we will send the claimant the forms to file the proof of loss. If we do not send them within fifteen (15) days after we receive notice, then the proof of loss requirements will be met by giving us a written statement of the nature and extent of the loss within ninety (90) days after the loss began.

WRITTEN PROOF OF LOSS: For any covered loss, written proof must be sent to us within ninety (90) days. If it is not reasonably possible to give proof within ninety (90) days, the claim is not affected if the proof is sent as soon as reasonably possible. In any event, proof must be given within one (1) year unless the claimant is legally incapable of doing so.

PAYMENT OF CLAIMS: When we receive written proof of loss, we will pay any benefits due. Benefits that provide for periodic payment will be paid for each period as we become liable. We will pay benefits to you, if living, or else to your estate.

If you have died and we have not paid all benefits due, we may pay up to \$1,000 to any relative by blood or marriage, or to the executor or administrator of your estate. The payment will only be made to persons entitled to it. An expense incurred as a result of your last illness, death or burial will entitle a person to this payment. The payments will cease when a valid claim is made for the benefit. We will not be liable for any payment we have made in good faith.

PHYSICAL EXAMINATION: At our own expense, we will have the right to have you examined as reasonably necessary when a claim is pending. We can have an autopsy made unless prohibited by law.

LEGAL ACTIONS: No legal action may be brought against us to recover on the Policy within 60 days after written proof of loss has been given as required by the Policy. No action may be brought after three (3) years (Kansas, five (5) years; South Carolina, six (6) years) from the time written proof of loss is required to be given.

EFFECTIVE DATE AND TERMINATION

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: You must apply in writing for the insurance to go into effect. You will become insured on the latest of:

- (1) the first of the month coinciding with or next following the date you apply, if you apply within thirty-one (31) days of the date you are first eligible; or
- (2) the first of the month coinciding with or next following the date we approve any required proof of good health. We require proof of good health if you apply:
 - (a) after thirty-one (31) days from the date you first become eligible; or
 - (b) after you terminated this insurance but remained in a class eligible for this insurance; or
- (3) the date premium is remitted.

Changes in your amount of insurance are effective as shown on the Schedule of Benefits.

If you are not actively at work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to active work for one full day.

TERMINATION OF INDIVIDUAL INSURANCE: Your insurance will terminate on the first of the following to occur:

- (1) the date the Policy terminates; or
- (2) the last day of the Policy month in which you cease to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for you; or
- (4) the date you enter military service (not including Reserve or National Guard).

YOUR REINSTATEMENT: If you are terminated, your insurance may be reinstated if you return to Active Work with the Policyholder within the period of time as shown on the Schedule of Benefits page. You must also be a member of an Eligible Class, as shown on the Schedule of Benefits page, and have been:

- (1) on a leave of absence approved by the Policyholder; or
- (2) on temporary lay-off.

You will not be required to fulfill the eligibility requirements of the Policy again. The insurance will go into effect on the day you return to Active Work. If you return after having resigned or having been discharged, you will be required to fulfill the eligibility requirements of the Policy again. If you return after terminating at your request or for failure to pay premium when due, proof of good health must be approved by us before you may be reinstated.

WEEKLY INCOME INSURANCE

BENEFITS PAYABLE: We will pay Weekly Income Benefits if you:

- (1) are Disabled due to Sickness or Injury; and

If we have underpaid any benefit for any reason, we will make a lump sum payment. If we have overpaid any benefit for any reason, the overpayment must be repaid to us. At our option, we may reduce the Weekly Income Benefit or ask for a lump sum refund. If we reduce the benefit, the Minimum Benefit, if any, as shown on the Schedule of Benefits page, would not apply. - (2) you have received medical Treatment, consultation, care or services, including diagnostic procedures, or took prescribed drugs or medicines for the Sickness or Injury, whether specifically diagnosed or not, causing such disability, during the three (3) months immediately prior to your effective date of insurance.

EXTENSION OF COVERAGE UNDER THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Military Services Leave of Absence:

We will continue your coverage in accordance with the Policyholder's policies regarding Military Services Leave of Absence under USERRA if the premium for you continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

The Policy, while coverage is being continued under the Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While you are on a Military Services Leave of Absence you will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective if you are not considered Actively at Work until you have returned to Active Work for one (1) full day.

A leave of absence taken in accordance with USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

Your coverage will cease under this extension on the earliest of:

- (1) the date the Policy terminates; or
- (2) the end of the period for which premium has been paid for you; or
- (3) the date such leave should end in accordance with the Policyholder's policies regarding Military Services Leave of Absence in compliance with USERRA. Coverage will not be terminated if you become Disabled during the period of the leave and are eligible for benefits according to the terms of the Policy. Any Weekly Benefit which becomes payable will be based on your Earnings immediately prior to the date of Disability.

Should the Policyholder choose not to continue your coverage during a Military Services Leave of Absence, your coverage will be reinstated.

NOTICE OF PROTECTION PROVIDED BY NEW MEXICO LIFE INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** of the New Mexico Life Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under New Mexico law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Mexico law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in present value of annuity benefits

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000 (\$500,000 for hospital, medical, and surgical insurance policies).

Note to benefit plan trustees or other holders of unallocated annuities covered under the act: For unallocated annuities that fund certain governmental retirement plans, the limit is \$250,000 in present value of annuity benefits per plan participant. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held or number of persons covered.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under New Mexico law.

Claim forms are available from your benefits representative or may be requested by writing to the above address or by calling 1-800-644-1103.

In the event of any Adverse Benefit Determination (defined below), the claimant (or their authorized representative) may appeal that Adverse Benefit Determination in accordance with the following procedures. This opportunity to appeal exists without regard to the applicability of the Employee Retirement Income Security Act of 1974 as amended ("ERISA"), 29 U.S.C. 1001 *et seq.*

TIMING OF NOTIFICATION OF BENEFIT DETERMINATION

Non-Disability Benefit Claims

If a non-disability claim is wholly or partially denied, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 90 days after our receipt of the claim, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination is expected to be rendered.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing.

Disability Benefit Claims

In the case of a claim for disability benefits, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

ERISA STATEMENT OF RIGHTS

As a participant in the Group Insurance Plan, you may be entitled to certain rights and protections in the event that the Employee Retirement Income Security Act of 1974 (ERISA) applies. ERISA provides that all Plan Participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefits plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interests of you and other Plan Participants and Beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal Court. If it should happen that Plan Fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest Office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210.
