Subject: RFP ENT Navigation P491-24

Please add this Addendum #2 to the original RFP documents. It shall be the responsibility of the interested Offerors to adhere to any changes or revision to the RFP as identified in this Addendum #1.

The following clarification shall become permanent and made part of the procurement file.

1. Information Security Plan from section 4.5? [no response is needed at this time.](#)
2. The list of disposables looks to be a comprehensive list of Medtronic products with some not having anything to do with the navigation system. Do we just put not applicable on these items? [Please refer to the new attached Exhibit G and put N/A next to products that your company cannot cross reference.](#)
3. For the pricing/quote portion for the capital equipment? [We are Requesting One \(1\) System for ENT Navigation](#)

If there are any questions or inquiries in relation to this Addendum #1, Offerors may contact Laura Alarcon by email at [lealarcon@salud.unm.edu](mailto:lealarcon@salud.unm.edu).
